

ABOUT ME

I am a hardworking, highly motivated, and dedicated individual with a strong desire to excel in the field of music. I continuously seek opportunities to learn and take on new challenges. My formal training in Classical Music began at the age of eight, and since then, it has been a truly enriching journey, one where I have come to appreciate and embrace the powerful art and magic called music. I aspire to grow both as a musician and as a teacher, sharing my knowledge while continuing to evolve as an artist myself.
